PEDEN AVENUE TOWNHOME OWNERS' ASSOCIATION, INC.,

Section 1. Intent. It is the intent of the Declarant that the Association shall be formed and shall continue to exist throughout the term of this Declaration. The Association shall exercise all powers and duties as set forth in this Declaration, the By-Laws of the Association, and as provided for by the laws of the State of Texas. The Association shall consist of a body of members hereinafter defined. The Board shall be the governing body for the Association.

Section 2. Duties and Powers. In addition to the duties and powers enumerated in its Articles of Incorporation and By-Laws, or elsewhere provided for herein, and without limiting the generality hereof, the Association shall also discharge those functions necessary to the general maintenance of the Properties. The Board of Directors of the Association shall be empowered to oversee the activities of the Association to such an extent as they may take whatever action they, in their sole discretion, deem necessary to provide for the upkeep and aesthetic appearance of the Properties for the common benefit of all the members of the Association.

Section 3. Membership. Every person or entity who is a record Owner of any of the Properties shall be a Member of the Association. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of an obligation. Membership shall be appurtenant to and may not be separated from ownership of the land which is subject to assessment by the Association.

Section 4. Additional Property. Other lands may hereafter be annexed into the jurisdiction of the Association in the manner herein described. If annexed, the Owner of Lots in each future section so annexed, as well as all Owners subject to the jurisdiction of the Association, shall be entitled to the use and benefit of all Common Properties that may become subject to the jurisdiction of the Association as a result of such annexation, and the facilities thereon, and shall be entitled to the use and benefit of the maintenance fund, hereinafter set forth, provided that each future section must be impressed with and subject to the annual maintenance charge imposed hereby, and further, such sections shall be made by recorded restrictions subject to the jurisdiction of the Association. The surviving or consolidated Association shall administer the Covenants and Restrictions established by this Declaration, together with the Covenants and Restrictions applicable to the properties of the other Association as one scheme. No such merger or consolidation, however, shall effect any revocation, change,

or addition to the Covenants established by this Declaration.

Section 6. Membership and Voting. The Association shall have two (2) classes of voting membership:

Class A. Class A members shall be all Owners with the exception of the Declarant and each shall be entitled to one (1) vote for each Lot. When more than one (1) person holds an interest in any Lot, all such persons shall be members. The vote of such Lot shall be exercised as they among themselves determine, but in no event shall more than one (1) vote be cast with respect to anyone (1) Lot.

Class B. Class B members shall be the Declarant herein, as such term is defined in Article I, Section 13 hereof, who shall be entitled to five (5) votes for each Lot owned. The Class B membership (Declarant's weighted vote) ceases and converts to Class A membership upon the earlier of the following:

- (A) One Hundred percent (100%) of the Lots are deeded to Owners; or
- (B) On January 1, 2019.

Section 7. Non-Profit Corporation. PEDEN AVENUE TOWNHOME OWNERS' ASSOCIATION, INC., a Texas non-profit corporation, has been or will be organized, and all duties, obligations, benefits, liens, and rights hereunder in favor of the Association shall vest in said corporation. In the event that PEDEN AVENUE TOWNHOME OWNERS' ASSOCIATION, INC. or any successor entity acting hereunder ceases to exist as a legal entity, the members of the Board at the time of such occurrence or their successors elected in the manner provided in the By-Laws adopted by the Association are authorized and empowered to form a new non-profit corporation to succeed to and exercise the powers, duties, obligations, benefits, liens and rights of the Association under this Declaration.

Section 8. By-Laws. The Association may make whatever rules or by-laws it may choose to govern the organization, provided that same are not in conflict with the terms and provisions hereof.

Section 9. Members' Easement of Enjoyment. Subject to the provisions of Section 10 below, every Member shall have a common right and easement of enjoyment in the Common Properties, and such right and easement shall be appurtenant to and shall pass with the title to every Assessable Lot.

Section 10. Extent of Members' Easements. The rights and easements of enjoyment created hereby in favor of the Members shall be subject to the rights and easements now existing or hereafter created in favor of Declarant or others as referred to or provided for in this Declaration, and shall also be subject to the following provisions:

- (a) The Association shall have the right to borrow money and, with the consent of

Members entitled to cast not less than three-fifths (3/5) of the aggregate of the votes of both Classes of Members, to mortgage the Common Properties.

- (b) The Association shall have the right to take such steps as are reasonably necessary to protect the Common Properties against foreclosure of any such mortgage.
- (c) The Association shall have the right to suspend the enjoyment rights of any Member for any period during which any assessment or other amount owed by such Member to the Association remains unpaid.
- (d) The Association shall have the right to establish reasonable rules and regulations governing the Members' use and enjoyment of the Common Properties, and to suspend the enjoyment rights of any Members for any period not to exceed sixty (60) days for any infraction of such rules and regulations.
- (e) The Association shall have the right to assess and collect the assessments provided for herein and to charge reasonable admission and other fees for the use of any recreational facilities which are a part of the Common Properties.
- (f) The right of resident owners or occupants of dwellings within any area owned by Declarant as of the date hereof and in the vicinity of the Property, to use the Common Properties, together with all facilities now or hereafter located thereon.
- (g) The exclusive right of Declarant and its permittees to erect, place and maintain in the Common Properties, in such locations as shall be approved by the Architectural Control Committee (which approval may not be unreasonably withheld), such facilities (including but not limited to, sales or other offices, storage areas, model units, flags and signs) as in Declarant's sole discretion may be necessary or convenient to improve and/or sell Lots in the Property.
- (h) The Association shall have the right to dedicate or convey all or any part of the Common Properties, or interests therein, to any public authority for such purposes and subject to such conditions as may be agreed to by the Members. No such dedication or conveyance shall be effective unless an instrument agreeing to such dedication or conveyance signed by Members entitled to cast not less than three-fifths (3/5) of the aggregate of the votes of both Classes of Members had been recorded.
- (i) The Association shall have the right to rent or lease any part of the Common Properties for the operation (for profit or otherwise) of any service activity intended to serve a substantial number of residents in the Properties, such as, but not limited to, child care nurseries, with the consent of Members entitled to cast not less than three-fifths (3/5) of the aggregate of the votes of both Classes of Members voting in person or by proxy, at a meeting duly called for this purpose.

- (j) The Association shall have the right, but not the obligation, to contract on behalf of all Assessable Lots which have or have had Living Units thereon occupied as residence, for garbage and rubbish pickup, and to charge the Owner of each such Assessable Lot for his pro rata share of the cost thereof, such pro rata share to be determined by dividing the number of such Assessable Lots being served into the total cost of providing such garbage and rubbish pickup. If the Association so elects, the charge to each owner for garbage and rubbish pickup shall be in addition to the assessments described in Article III hereof.
- (k) The Association shall have the right to exercise all other rights and powers granted to property owners' associations by law in the State of Texas.

ARTICLE III

COVENANTS FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessments. The Declarant, for each Lot owned within the Properties, hereby covenants, and each Owner of any Lot by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association: (i) annual assessments or charges, and (ii) special assessments for capital improvements, such assessments to be established and collected as hereinafter provided. The annual and special assessments, together with interest, costs and reasonable attorney's fees, and the cost, including reasonable attorney's fees, of the enforcement of any provision of this Declaration against the Owner of any Lot shall be a charge on the land and shall be secured by a continued Vendor's Lien with power of sale upon the Property against which each such assessment is made or enforcement action brought. Each such assessment, together with interest, costs and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such Property at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by them, but shall be secured by the continuing lien referred to above.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively to improve, beautify, maintain, manage and operate the Common Properties, and to pay taxes and insurance premiums thereon, and to promote the recreation, health, safety, convenience, and welfare of the Members, such benefits to include, by way of illustration but not limitation, providing patrol or watchman service, fogging for insect control, enforcing the provisions contained in this Declaration, employing at the request of the Architectural Control Committee one or more architects, engineers, attorneys, or other consultants, for the purpose of advising such Committee in carrying out its duties and authority as deemed appropriate in the opinion the Board of Directors of the Association, for the maintenance and/or improvement of the Common Properties or for the benefit of the Members, the foregoing uses and purposes being permissive and not mandatory, and the decisions of the Board of Directors of the Association being final as long as made in good faith and in accordance with the By-Laws of the Association and governmental laws, rules and regulations.

Section 3. Annual Maintenance Assessments. The Association, by action of its Board of Directors, shall levy Annual Maintenance Assessments against the Assessable Lots to obtain funds (herein called the "maintenance fund") reasonably anticipated to be needed for the purpose stated in Section 2 hereinabove, including reasonable reserves for contingencies and for capital improvements, replacements, and repairs; provided, the Annual Maintenance Assessments shall be levied on a uniform basis as follows:

- (a) Determination of Amount of Initial Annual Maintenance Assessment. Upon recordation of this Declaration, the initial Board shall meet and establish a budget for the operation and maintenance of the Association, its Common Properties and Common Facilities, for that portion of the calendar year then remaining, which budget shall set forth the Board's reasonable estimate of all expenses which the Association shall incur during such operation and maintenance of the Association, its Common Properties and Common Facilities, for the remainder of such year. Such budget, and all successive budgets, shall include a reasonable reserve fund, herein called the "Reserve Fund", for maintenance, repairs and replacement to Common Properties and Common Facilities. Thereafter, in the last calendar quarter of each year, the Board shall meet and establish such budget for the next succeeding calendar year and shall determine the Annual Maintenance Assessment required for the operation of the Association, its Common Properties and Common Facilities, and for allowance of funding of the Reserve Fund. Upon determination of the budget, the Board shall set the Annual Maintenance Assessment for the next succeeding calendar year. Beginning the first calendar year after the first Assessable Lot has been purchased, the Association may increase said maximum amount of the Annual Maintenance Assessment for an Assessable Lot by up to 110% of the immediately preceding year's Annual Maintenance Assessment, without prior approval of the Members. The Board shall not increase the Annual Maintenance Assessment greater than 110% of the immediately preceding calendar year; provided, however, said increase of greater than 110% of the immediately preceding calendar year is approved by Members entitled to cast not less than three-fifths (3/5) of the votes of the Members, present in person or by proxy, at a meeting called for this purpose at which a quorum is present or represented. The amount actually assessed against an Assessable Lot for any calendar year is referred to in subsection (b) below as the "Base Assessment Sum" for such year. Each Owner of an Assessable Lot shall be obligated to pay monthly, in advance, one-twelfth (1/12) of the Annual Maintenance Assessment so allocated to such Owner. The failure or delay of the Board to prepare any annual budget shall not constitute a waiver or release in any manner of any Owner's obligation to pay the Annual Maintenance Assessment whenever the same shall be determined, and in the event of any delay or failure to establish any annual budget, each Owner shall continue to pay the Annual Maintenance Assessment, monthly, at the rate established by the Board based upon the previous annual budget.
- (c) No assessment shall be due from or assessed against any Lot until it becomes an

Assessable Lot, as defined in Article I Section 14 hereof.

Section 4. Special Assessments for Capital Improvements. In addition to the Annual Maintenance Assessment authorized by Section 3 hereinabove, the Association may levy against the Assessable Lots in any calendar year a Special Assessment applicable to that year only, for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, purchase, acquisition, repair, or replacement of a capital improvement of the Association, including necessary fixtures and personal property related thereto, but any such assessment must be approved by Members entitled to cast not less than three-fifths (3/5) of the votes of the Members, present in person or by proxy, at a meeting called for this purpose at which a quorum is present or represented. The Special Assessment against each Assessable Lot shall be the same as the Special Assessment against every other Assessable Lot.

Section 5. Commencement of Annual Maintenance Assessment; Due Dates. The Annual Maintenance Assessment provided for herein shall commence on each Assessable Lot on the first (1st) day of the calendar month after it becomes an Assessable Lot. One twelfth (1/12) of the amount of the Annual Maintenance Assessment on each such Assessable Lot shall be due and payable, in advance, on the first day of each calendar month during the year for which the Annual Maintenance Assessment has been assessed.

Section 6. Duties of the Board of Directors. The Board of Directors of the Association shall determine the amount to be levied as the annual assessment against each Assessable Lot for each calendar year, subject to the criteria and limitations set out in Section 3 hereof. The Board of Directors of the Association shall cause to be prepared a roster of the Assessable Lots showing the amount of each assessment, which roster shall be kept in the office of the Association and shall be open to any Owner. At the request of an Owner, the Association will prepare a certificate in writing signed by an officer of the Association setting forth whether or not there are any unpaid assessments against said Owner's Property. The Association may charge a reasonable fee for furnishing such certificate. Such certificate shall be conclusive evidence of payment of any assessment therein stated to have been paid, as to any third party who in good faith relies thereon to his or her economic detriment.

Section 7. Effect of Non-Payment of Assessments; Remedies of the Association. Any assessment not paid within five (5) days after the due date shall bear interest from the due date at the highest lawful rate permitted in Texas. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the Lot. Interest, costs and reasonable attorney's fees incurred in any such action shall be added to the amount of such assessment or charge. Each such Owner, by his acceptance of a deed to a Lot, hereby expressly vests in the Association, or its agents, the rights and power to bring all actions against such Owner personally for the collection of such charges as a debt and to enforce the aforesaid lien by all methods available for the enforcement of such liens, including non-judicial foreclosures pursuant to Section 51.002 of the Texas Property Code, or any amendment to or recodification thereof, and such Owner hereby expressly grants to the Association a power of sale in connection with said lien. Bryan Wangsgaard is hereby appointed as Trustee as to all Lots for the purpose of enforcing the liens created in favor of the Association in this Declaration by

exercising the power of sale herein granted in the same manner as a Deed of Trust. The Board in its sole discretion may appoint additional or substitute trustees to exercise the same powers and duties, from time to time, by written instrument recorded in the Real Property Records of Harris County, Texas. The liens provided for in this Article shall be in favor of the Association and shall be for the benefit of all Lot owners. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of his Lot.

Section 8. Subordination of the Lien to Mortgage. The lien of the assessments provided for herein shall be subordinate to the lien of any first (1st) mortgage existing at any time upon the particular Lot involved. Mortgagees are not required to collect assessments. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to mortgage foreclosure (whether by exercise of power of sale or otherwise) or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof, but such lien shall exist as, and constitute, a separate and distinct charge and lien on each Lot.

Section 9. Exempt Property. The assessments and liens created in this Article III shall apply only to the Assessable Lots, and the remainder of the property in the Properties shall not be subject thereto or entitled to the rights granted to Members in Article II hereof.

ARTICLE IV

ARCHITECTURAL CONTROL COMMITTEE

Section 1. Tenure. The initial Architectural Control Committee shall mean and refer to Charles R. Martin, of Harris County, Texas, his successors, and any other individuals he may appoint, at his sole discretion, so long as less than 100% of the Assessable Lots have been sold. The persons serving on the initial Architectural Control Committee, or their successors, shall serve until such time as all Lots subject to the jurisdiction of the Association, including all Lots on land annexed to the Properties pursuant Article IX hereof, have or have had Living Units thereon occupied as residences, at which time the initial Architectural Control Committee shall resign and thereafter its duties shall be fulfilled and its powers exercised by an Architectural Control Committee appointed by the Board of Directors of the Association. In the event of the death or resignation of any person serving on the initial Architectural Control Committee, the remaining person(s) serving on the Committee shall designate a successor, or successors, who shall have all of the authority and power of his or their predecessor(s). A majority of the Architectural Control Committee may designate someone serving on the Committee to act for it. No person serving on the Committee shall be entitled to compensation for services performed pursuant to this Article IV. However, the Committee may employ one or more architects, engineers, attorneys, or other consultants to assist the Committee in carrying out its duties hereunder; and the Association shall pay such consultants for such services as they render to the Committee.

Section 2. Approval of Plans. No buildings or other improvements, including, but not

limited to, swimming pools, streets, driveways, sidewalks, basketball or other sports facilities, devices of any kind, including dishes, reflectors or antennae for sending or receiving any type of electronic signal, drainage facilities, landscaping, fences, walks, fountains, statuary, outdoor lighting and signs, shall be commenced, constructed, erected, placed, or maintained on the Property, nor shall any exterior addition to or alteration therein be made, unless and until: (i) a preliminary site plan showing all existing and proposed uses and dimensions, the location of buildings, swimming pools, entries, streets, driveways, parking areas, pedestrian ways, and storage areas, and a schematic plan for the landscaping and lighting of the Property, have been submitted to and approved in writing by the Architectural Control Committee; and thereafter (ii) the final working plans and specifications for the work shown on the preliminary site plan and the schematic plan have been submitted for approval by the Architectural Control Committee as to compliance with this Declaration and as to harmony of surrounding uses, structures, walks, and topography. The final working plans and specifications shall specify, in such form as the Architectural Control Committee may reasonably require, structural, mechanical, electrical, and plumbing details and the nature, kind, shape, height, exterior color scheme, materials, and locations of the proposed improvements or alterations thereto. The Architectural Control Committee shall have the rights, free of charge, to retain one (1) copy of the final working plans and specifications. In the event the Architectural Control Committee fails to approve or disapprove the preliminary site plan and schematic plan within fifteen (15) working days after they have been submitted to it, or thereafter fails to approve or disapprove the final working plans and specifications within fifteen (15) working days after they have been submitted to it, the plan shall be deemed rejected. Without limitation of the powers herein granted, the Architectural Control Committee shall have the right to specify a limited number of acceptable exterior materials and/or finishes that may be used in the construction, alteration or repair of any improvement. For purposes of this Article IV, Section 2, "schematic plan" shall mean that certain plan which has been submitted or is to be submitted by Owner to the applicable governmental authority for approval in connection with the issuance of a building permit. Where an Owner has neglected to submit preliminary and/or final working plans and specifications for approval, failure of the Architectural Control Committee to exercise the powers granted by this Article IV shall never be deemed a waiver of the right to do so either before or after a building or other improvement on the Property, or any exterior addition to or alteration therein, has been completed.

Where not otherwise specified herein, the Architectural Control Committee also shall have the right to specify requirements for each Lot or Building Site as follows: minimum setbacks; driveway access to adjacent streets; the location, height and extent of fences, walls or other screening devices; and the orientation of structures with respect to streets, walks, and structures on adjacent Property. There shall be no chain link fencing except as may be utilized by builders with the approval of the Architectural Control Committee for temporary storage of building materials and supplies during the construction phase. No roofing materials shall be allowed other than asphalt, tile or wood shingles, all of which shall meet FHA minimum property standards. The surface materials used in the construction of driveways and front sidewalks will consist solely of concrete, unless otherwise approved by the Architectural Control Committee. The Architectural Control Committee shall have full power and authority to reject any plans and specifications that do not comply with the restrictions herein imposed or meet its

minimum construction requirements or architectural design requirements or that might not be compatible, in its judgment, with the overall character and aesthetics of the Property.

Section 3. Approved General Contractors. No construction of a building, structure, fence, wall, or other improvement shall be commenced on the Property until the general contractor to perform such construction shall have been approved in writing by the Architectural Control Committee, which approval shall not be unreasonably withheld. In the event the Committee fails to approve or disapprove a general contractor within fifteen (15) working days after his name is submitted to it, approval will not be required, and the provisions of this Section 3 will be deemed to have been fully satisfied.

Section 4. No Liability. Neither Declarant, the Association, Board of Directors, nor the Architectural Control Committee or the members thereof shall be liable for damages to anyone submitting plans or specifications to them for approval, or to any Owner of Property affected by these restrictions by reason of mistake in judgment, negligence, or nonfeasance arising out of or in connection with the approval or disapproval or failure to approve or disapprove any such plans or specifications. Every person who submits plans or specifications to the Architectural Control Committee for approval agrees, by submission of such plans and specifications, and every Owner agrees that he will not bring any action or suit against Declarant, the Association, Board of Directors, the Architectural Control Committee, or any of the members thereof to recover any such damage.

Section 5. Rules and Regulations. The Architectural Control Committee may from time to time, in its sole discretion, adopt, amend and repeal rules and regulations interpreting and implementing the provisions hereof.

Section 6. Variances. Where circumstances, such as topography, location of property lines, location of trees, or other matters require, the Architectural Control Committee, by the vote or written consent of a majority of the members thereof, may allow reasonable variances as to any of the covenants, conditions or restrictions contained in this Declaration under the jurisdiction of such committee pursuant to this Article IV, on such terms and conditions as it shall require; provided, however, that all such variances shall be in keeping with the general plan for the improvement and development of the Property. It is further provided, however, that, so long as Declarant owns any part of the Properties, the Declarant hereby reserves the right of approval or disapproval of all variances which may affect building setback lines, Lot area and structure locations.

ARTICLE V

EASEMENTS

Section 1. General. The rights and duties of the Owners of Lots within the Property with respect to sanitary sewer, water, electricity, gas, telephone, and cable television lines and drainage facilities shall be governed by the following:

- (a) Wherever sanitary sewer and/or water house connections or electricity, gas, or

telephone and cable television lines or drainage facilities are installed within the Property, which connection lines or facilities or any portion thereof, lie in or upon Lots owned by any party other than the Owner of a Lot served by said connections, line or facilities, such Owners of Lots served, and/or their agents, shall have the right, and are hereby granted an easement to the full extent necessary therefore to enter upon the Lots within the Property in or upon which said connections, lines or facilities, or any portion thereof, lie, to repair, replace and generally maintain said connections as to when the same may be necessary as set forth below.

- (b) Wherever sanitary sewer and/or water house connections or electricity, gas, telephone, cable television or telecommunication lines or drainage facilities are installed within the Property, which connections serve more than one (1) Lot, the Owner of each Lot served by said connections or lines shall be entitled to the full use and enjoyment of such all portions of said connections or lines which serve his or her Lot.

Section 2. Reservation of Easements. Easements over the Lots and Common Properties for the installation and maintenance of electric, telephone, cable television, telecommunication, water, gas and sanitary sewer lines and drainage facilities, and other mechanical and electrical systems deemed by Declarant and/or the Association to be necessary for, or convenient to, the existence, enjoyment, maintenance, management, operation or safety of the Property, are hereby reserved by Declarant and/or the Association, together with the right to grant and transfer same.

Section 3. Surface Area of Utility Easement. Easements for installation and maintenance of utilities are reserved as shown and provided for on the Subdivision Plat. Underground electric, gas and telephone service may be available to all Lots in the Property. For so long as such underground service is maintained, the electric service to each Lot shall be uniform and exclusively of the type known as single phase, 120/240 volts, 3 wire, 60 cycle, alternating current. Easements for the underground service may be crossed by driveways, walkways, patios, brick walls and fences, provided the Declarant or a builder makes prior arrangements with the utility companies furnishing electric, gas and telephone service and provides and installs any necessary conduit of approved type and size under such driveways, walkways, patios, brick walls or fences prior to construction thereof. Such easements for the underground service shall be kept clear of all other improvements, and neither the grantor of nor any utility company using the easements shall be liable for any damage done by either of them or their assigns, their agents, employees or servants, to shrubbery, trees, flowers or other improvements (other than crossing driveways, walkways, patios, brick walls or fences, providing conduit has been installed as set forth above) of the Owner located on the land covered by said easements. In addition hereto, the utility easements shall not be used as alleyways.

Section 4. Driveway. All Lot Owners, their tenants, invitees and/or agents, shall have right of ingress and egress across all other Lot Owners' property on the paved driveway running along the Eastern eight feet (8') of Lots 4 and 5 and the Western eight feet (8') of Lots 1 and 2 or as otherwise more fully described on the Subdivision Plat. Maintenance of said driveway shall

be the responsibility of the Association.

Section 5. Emergency and Service Vehicles. An easement is hereby granted to all police, fire protection, ambulance and other emergency vehicles and other service vehicles to enter upon the Common Properties, including but not limited to private streets, in the performance of their duties and further, an easement is hereby granted to the Association, its officers, agents, employees, and management personnel to enter the Common Properties to render any service.

Section 6. Universal Easement Each Lot and its Owner within the Properties is hereby declared to have an easement, and the same is hereby granted by Declarant, over all adjoining Lots and Common Properties for the purpose of accommodating any encroachment due to engineering errors, errors in original construction, settlement or shifting of the building, or any other cause. There shall be easements for the maintenance of said encroachment settling or shifting; provided, however, that in no event shall an easement for encroachment be created in favor of an Owner or Owners if said encroachment occurred due to willful misconduct of said Owner or Owners. In the event a structure on any Lot is partially or totally destroyed, and then repaired or rebuilt, the Owners of each Lot agree that minor encroachments over adjoining Lots shall be permitted and there shall be easements for the maintenance of said encroachments so long as they shall exist. Each of the easements hereinabove referred to shall be deemed to be established upon the recordation of this Declaration and shall be appurtenant to the Lot being served and shall pass with each conveyance of said Lot.

Section 7. Public Easement. There is hereby reserved to Declarant, its successors and assigns, an easement for public ingress and egress over any public pedestrian pathways. This easement shall not imply any right of public use of the Common Properties, or improvements thereon, owned by the Association.

Section 8. Audio and Video. In the event that audio and video communication services and utilities are made available to any said Lots by means of an underground coaxial cable, fiber optic cable or other communication system, the company furnishing such services and facilities shall have a two foot (2') wide easement along and centered on the underground wire or cable when and as installed by said company from the utility easement nearest to the point of connection on the permanent improvement or structure constructed, or to be constructed upon said Lot, and in a direct line from said nearest utility easement to said point of connection.

Section 8. No clothing or other materials shall be aired or dried in the Property except in an enclosed structure, or in an area adequately screened by planting or fencing so as not to be seen from other Lots or any street within the Property.

Lighting fixtures may be installed above ground if approved in writing by the Architectural Control Committee.

Section 13. No fence, wall, tree, hedge or planting shall be maintained in the Property in such manner as to obstruct sight lines for vehicular traffic, from the standpoint of safety.

Section 14. No billboards or other signs may be erected in the Property without the prior written consent of the Architectural Control Committee. Such Committee shall furnish, upon request, a signage manual setting forth the limitations and guidelines for signs, which shall be reasonable in scope and restriction, and shall grant its written approval of signs which satisfy the requirements of such manual. The use of flags or banners in the promotion or sale of any Living Unit in the Property must be approved in writing by the Architectural Control Committee.

Section 15. The Owner of each Lot shall maintain the same, and the improvements, trees, hedges, and plantings thereon, in a neat and attractive condition. The Association shall have the right, after ten (10) calendar days' notice to the Owner of any Lot mailed or delivered to such Owner's last known home address, setting forth the action intended to be taken by the Association, provided at the end of such time such action has not already been taken by such Owner: (i) to mow the grass thereon; (ii) to remove any debris therefrom; (iii) to trim or prune any tree hedge, or planting that, in the opinion of the Association, by reason of its location or height, or the manner in which it has been permitted to grow, is detrimental to the enjoyment of adjoining property or is unattractive in appearance; (iv) to repair or paint any fence thereon that is out of repair or not in harmony, with respect to color, with fencing on adjacent property; (v) to repair or paint any Living Unit that is out of repair or not in harmony, with respect to color, with a Living Unit on adjacent property; and (vi) to do any and all things necessary or desirable in the opinion of the Association to place such Property in a neat and attractive condition consistent with the intention of this Declaration. The person who is the Owner of such Property at the time such work is performed by the Association shall be personally obligated to reimburse the Association for the cost of such work within ten (10) calendar days after it is performed by the Association, and if such amount is not paid within said period time, such Owner shall be obligated thereafter to pay interest thereon at the highest lawful rate permitted in Texas, and to pay any attorney's fees and court costs incurred by the Association in collecting said obligation, and all of the same shall be secured by a lien on such Owner's Property, as provided in Article III, subject only to liens then existing thereon.

Section 16. Except for the easement rights elsewhere recognized in this Declaration, each

Lot shall be used only for a Living Unit and a private garage, and no Lot shall be used for business, commercial or professional purposes of any kind. With each Living Unit there shall be a functional attached or detached enclosed garage. Carports are expressly prohibited.

Section 17. No building or Living Unit in the Property shall exceed the maximum allowable building coverage requirements, as established by the controlling governing body. No Living Unit of one (1) story shall be built on any Lot; and no Living Unit of more than one (1) story shall contain less than one thousand seven hundred (1,700) square feet of living area, unless the Architectural Control Committee agrees to the contrary in writing. All computations of living area shall be exclusive of open or screened porches, terraces, patios, driveways, or garages. Measurements shall be to the face of the outside walls of the living areas.

Section 18. As to each Lot in the Property the following building requirements shall apply unless the Architectural Control Committee agrees to the contrary in writing, to-wit:

- (a) No building or other structure: (i) shall be placed or built on any Lot nearer to the front lot line or nearer to a side street line than the building lines therefor shown on the Subdivision Plat; (ii) shall be placed or built on any Lot nearer than twenty-one feet (21') from the front lot line; (iii) shall be placed or built on any Lot nearer than three feet (3') from the rear lot line; (iv) shall be placed or built on any Lot nearer than three feet (3') from an interior lot line; or (v) shall encroach on any easement shown on the Subdivision Plat or created by subsequent recorded instrument. .

Section 19. The Owner of each Lot, as a minimum, shall plant and maintain grass and may add landscaping, flower beds, shrubbery or other plants of an attractive nature over his or her entire front yard.

Section 20. The Owner of each Lot shall be required to completely fence in his or her back yard, and to maintain and repair such fence in accordance with the provisions of Article VII hereof. Unless the Architectural Control Committee shall otherwise agree, all fences shall be constructed of wood, and shall not be less than six feet (6') nor more than eight feet (8') in height, and shall have rot board at the bottom. Chain link fences are expressly prohibited. If a fence is erected along the common boundary between two (2) Lots, each adjoining Owner shall be responsible for maintaining said fence, and, in the event one Owner repairs or replaces the fence, he or she shall be entitled to reimbursement for one-half (1/2) of the cost from the adjoining Owner.

Section 21. Notwithstanding the foregoing provisions of this Article VIII, so long as Declarant owns any part of the Property, Declarant and its permittees shall have the exclusive right to erect, place and maintain on their respective lots in the Property such facilities (including but not limited to, sales or other offices, storage areas, model units, flags and signs) as in Declarant's sole discretion may be necessary or convenient to improve and/or sell Lots in the Property.

ARTICLE IX

GENERAL PROVISIONS

Section 1. Enforcement. The Association or any Owner shall have the right to enforce, by any proceedings at law or in equity, all restrictions, conditions, covenants, reservations, liens or charges now or hereafter imposed by the provisions of this Declaration. Failure by the Association or by any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

Section 2. Incorporation. The terms and provisions of this Declaration shall be construed as being adopted in each and every contract, deed, or conveyance hereafter executed by Declarant or any other person conveying all or any part of the land in the Property, whether or not referred to therein, and all estates conveyed therein and warranties of title contained therein shall be subject to the terms and provisions of this Declaration.

Section 3. Amendments. This Declaration may be amended in whole or in part by an instrument executed by the President of the Association when approved by Members entitled to cast not less than three-fifths ($3/5$) of the aggregate of the votes of both Classes of Membership. Following any such amendment, every reference herein to this Declaration shall be held and construed to be a reference to this Declaration as so amended.

Section 4. Amendments by Declarant. The Declarant shall have and reserves the right at, any time and from time to time, without the joinder or consent of any other party, to amend this Declaration by any instrument in writing duly signed, acknowledged, and filed for record for the purpose of correcting any typographical or grammatical error, ambiguity or inconsistency appearing herein, provided that any such amendment shall be consistent with and in furtherance of the general plan and scheme of development as evidenced by The Declaration, and shall not impair or attest the vested property or other rights of any Owner or his mortgagee.

Section 5. Books and Records. The books and records of the Association shall, during reasonable business hours, be subject to reasonable inspection by any member. The Board of Directors may, by resolution, establish rules and regulations governing the frequency of inspection and other matters to the end that inspection of the books and records by any member will not become burdensome to nor constitute harassment of the Association. The Declaration, the Articles of Incorporation and the By-Laws of the Association shall be available for inspection by any member at the principal office of the Association, where copies may be purchased at

reasonable cost.

Section 6. Annexation. Additional residential property and "Common Property" may be annexed to the Properties as follows:

- (a) With the consent of three-fifths (3/5) of each class of members, such additional stages of development may be annexed by the Declarant (whether or not the Declarant owns title to the land constituting the additional stages of development at the time of annexation) without such consent;
- (b) The annexation or addition may be accomplished by the execution and filing for record by the owner of the property being added or annexed of an instrument which may be called "Supplemental Declaration" which shall at least set out and provide in substance: the name of the owner of the property being added or annexed who shall be called the "Declarant"; the perimeter description of the property being added or annexed which for descriptive purposes may be designated as the first or fourth, etc., as the case may be, section/phase of Peden Avenue Townhomes, or such other designation as Declarant, in its sole judgment may choose; the description of the residential areas and of the Common Property of the property being added or annexed and the rights and easements of the Owners in and to the Common Property; that the property is being added or annexed in accordance with the provisions of this Declaration of Covenants, Conditions and Restrictions, and that the property being annexed shall be developed, held, used, sold and conveyed in accordance with and subject to the provisions of this Declaration of Covenants, Conditions and Restrictions; that all of the provisions of the Declaration of Covenants, Conditions and Restrictions shall apply to the property being added or annexed with the same force and effect as if said property were originally included therein as part of the original development; that the property being added or annexed is submitted to the jurisdiction of the Association with the same force and effect as if said property were originally included in this Declaration of Covenants, Conditions and Restrictions as part of the original development; and, such "Supplemental Declaration" may contain such other provisions which are not inconsistent with the provisions of this Declaration of Covenants, Conditions and Restrictions or the general scheme or plan of development of the Property as a residential development. Nothing in this Declaration shall be construed to represent or imply that Declarant, its successors or assigns, are under any obligation to add or annex additional property to this residential development.
- (d) At such time as the "Supplemental Declaration" is filed for record as hereinabove provided, the annexation shall be deemed accomplished and the annexed area shall be a part of the Properties and subject to each and all of the provisions of this Declaration of Covenants, Conditions and Restrictions and to the jurisdiction

of the Association in the same manner and with the same force and effect as if such annexed property has been originally included in this Declaration of Covenants, Conditions and Restrictions as part of the initial development.

- (e) After additions or annexations are made to the development, all assessments collected by the Association from the Owners in the annexed areas shall be commingled with the assessments collected from all other Owners so that there shall be a common maintenance fund for the Properties.

Section 7. Rights of Mortgagees, Trustees or Lienholder. No violations of any of these restrictions, covenants or conditions, shall affect or impair the rights of any Mortgagee, Trustee or Lienholder under any mortgage or deed of trust, or rights of any assignee of any Mortgagee, Trustee or Lienholder under any such mortgage or deed of trust.

Section 8. Right to Subdivide or Re-subdivide. Prior to the time Declarant parts with title thereto, Declarant shall have the right (but shall never be obligated) to subdivide or re-subdivide into lots, by recorded plat or in any other lawful manner, all or any part of the property in the Property; provided, during any period of time that there is an outstanding loan on a Lot in the Property guaranteed by the FHA or the VA, no such action may be taken without the consent of such guarantor(s).

Section 9. Building Sites. With the written approval of the Architectural Control Committee, the Owner(s) of a group of Lots, each of which is adjacent to one or more of the other lots in the group, may designate a part of a lot, or any combination of lots or portions of lots, to be a building site or building sites. The front, rear and side lines of the platted lots affected by any such action, as such lines are designated on the Subdivision Plat, shall be adjusted to conform to the front, rear and side lines of the new building sites for building and other purposes. Improvements may be constructed on any such building site in accordance with the new front, rear and side lines thereof. Each such building site, upon being designated as such by the Owner(s) thereof with the written approval of the Architectural Control Committee, shall thereafter be a Lot for all purposes of this Declaration, except that all future assessments payable by the Owner of a building site comprised of several Lots combined in accordance with this Section 9 will be based upon one assessment for each of the originally platted Lots so combined. No combination or recombination of Lots shall reduce the total number of Assessable Lots within the Properties.

Section 10. No Obligation as to Adjacent Property. The Property is or may be a part of a larger tract or block of land owned by Declarant. Declarant is not obligated to commit any part of its other land to any particular use or plan. While Declarant may subdivide other portions of its property, or may subject the same to a declaration such as this Declaration, Declarant shall have no obligation to do so and if Declarant elects to do so, any subdivision plat or declaration executed by Declarant with respect to any of its other property may be the same as or similar or dissimilar to any subdivision plat covering the Property, or any part thereof, or to this Declaration.

Section 11. Duration. This Declaration shall remain in full force and effect for a term of thirty (30) years from the date this Declaration is recorded in the Real Property Records of Galveston County, Texas, after which time this Declaration shall be extended automatically for successive periods of ten (10) years each unless and until an instrument signed by the Members entitled to cast no less than three-fifths (3/5) of the aggregate of the votes of both Classes of Membership has been filed for record in the Real Property Records of Galveston County, Texas, agreeing to terminate this Declaration. Such an instrument so filed for record shall become effective on the date stated therein or one (1) year after it is so filed for record, whichever is the later date.

Section 12. Enforcement. The terms and provisions of this Declaration shall run with and bind the land in the Property, and shall inure to the benefit of and be enforceable by Declarant, the Association, or the Owner of any Lot, and by their respective legal representatives, heirs, successors and assigns. This Declaration may be enforced in any proceeding at law or in equity against any person or entity violating or threatening to violate any term or provision hereof, to enjoin or restrain violation or to recover damages, and against the Property to enforce any lien created by this Declaration, and failure of Declarant, the Association, or any Owner to enforce any term or provision of this Declaration shall never be deemed a waiver of the right to do so thereafter.

Section 13. Severability. Invalidation of any term or provision of this Declaration by judgment or otherwise shall not affect any other term or provision of this Declaration, and this Declaration shall remain in full force and effect except as to any terms and provisions which are invalidated.

Section 14. Gender and Grammar. The singular wherever used herein shall be construed to mean or include the plural when applicable, and the necessary grammatical changes required to make the provisions hereof apply either to corporations (or other entities) or individuals, male or female, shall in all cases be assumed as though in each case fully expressed.

Section 15. Titles. The titles of this Declaration and of Articles and Sections contained herein are for convenience only and shall not be used to construe, interpret, or limit the meaning of any terms or provisions contained in this Declaration.

Section 16. Successors in Title. The terms and provisions of this Declaration shall apply to, be binding upon, and inure to the benefit of Declarant and the Association and their respective successors and assigns.

In witness whereof, this Declaration is executed the 20th day of November, 2008.
